Dear Professor Słowiński,

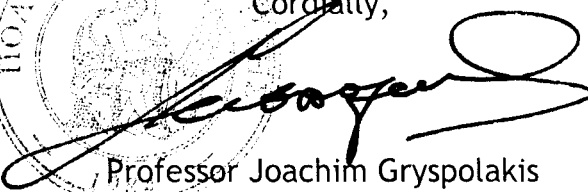

It is my great pleasure to inform you that the Senate of the Technical University of Crete has unanimously decided (Session 260/3.10.2008) to award to you an honorary doctorate degree for your significant contribution in the area of intelligent decision support systems.

Your nomination was submitted by the General Assembly of the Department of Production Engineering and Management by unanimous vote.

TUC honorary doctorate degrees are conferred to distinguished Greek or foreign scientists, who have produced significant scientific work or have offered valuable services to society.

The Public & International Relations Office of the University will soon contact you in order to organize the details of the award ceremony, which is scheduled for Monday, November 10th, in Chania.

I look forward to meeting you in Chania.

Cordially,  
  
Professor Joachim Gryspolakis  
Rector
